

REPUBLIC OF THE GAMBIA
OFFICE OF THE PRESIDENT, STATE HOUSE, BANJUL

21st November 2008

Dear Sir,

I have the honour to acknowledge with deepest gratitude receipt of two prestigious awards/appointments by your esteem organization, namely: Nomination as Senator for life and as Vice President of the International Parliament for Safety and Peace (IPSP).

I feel highly humbled by such an award from your esteemed organization. Your recognition of my contribution in the field of holistic medicine through my treatment of diseases which conventional doctors have described as incurable is highly appreciated and quite encouraging, as it attests to a global recognition of my healing through traditional means, of these diseases. The recognition of my humanitarian and peace-building efforts especially in the sub-region, is quite humbling.

The Lord President of
International Parliament for
Safety and Peace (IPSP)
